

# KI AGUS GATOT MAHENDRA SETIAWAN

Jakarta, Indonesia | [kiagusgatot@gmail.com](mailto:kiagusgatot@gmail.com) | [LinkedIn](#) | [Portfolio](#) | [+62 815-5428-3885](tel:+6281554283885)

## SUMMARY

**Product Designer** with **3+ years of experience** designing **enterprise systems, government digital products, and dashboard UX**. Skilled in turning complex workflows and operational data into clear, usable, and scalable digital experiences. Experienced in product discovery, prototyping, usability reviews, design systems, and developer handoff.

## EXPERIENCE

### PT. Eka Abhipraya Semesta

Product Designer

Jakarta

Sep 2023 - Present

- Led end-to-end product design for **5 government digital projects**, from client requirements and user flows to high-fidelity UI, prototypes, and developer-ready handoff.
- Designed complex dashboard and enterprise system interfaces, turning operational and strategic data into clear, usable, and decision-ready experiences.
- Created business process maps, user flows, and sequence diagrams using **Gemini, Claude, and Mermaid.ai**, reducing documentation time by **1–2 days** per project request.
- Reduced concept validation time from **3–5 days to under 24 hours** through AI-assisted research, rapid ideation, and functional HTML/CSS/JavaScript prototypes.
- Conducted usability reviews across **5 projects**, identifying UX issues before development and translating findings into prioritized design improvements.
- Built reusable Figma components and design system elements to improve UI consistency, scalability, and design efficiency across concurrent projects.
- Presented design rationale, prototypes, user flows, and process maps to stakeholders and developers to align user needs, business goals, and technical requirements.

### PT. Kimia Farma Apotek

Marketing Designer

Jakarta

Mar 2023 - Aug 2023

- Maintained visual consistency across **1,000+ pharmacy outlets** by applying corporate brand guidelines to digital, print, campaign, and presentation materials.
- Designed digital, print, motion, and video assets for large-scale marketing campaigns, helping support national promotional rollouts across multiple channels.
- Collaborated with marketing stakeholders to turn campaign objectives into clear, brand-aligned visual materials for social media, brochures, catalogs, and presentations.
- Delivered campaign-ready creative assets within fast-paced production timelines, supporting continuous promotional activity and consistent brand visibility across the retail pharmacy network.

## EDUCATION

### Telkom University

Bachelor of Arts (B.A.) in Visual Communication Design

Bandung

Aug 2017 - Sep 2021

## LICENSES & CERTIFICATIONS

- [UI/UX Design Mastery \(Gold\) - Skilvul](#)
- [Kreologi: UI/UX Challenge - Skilvul](#)
- [Belajar Fundamental Front-End Web Development - Dicoding](#)

- [Belajar Membuat Front-End Web untuk Pemula - Dicoding](#)
- [Belajar Dasar Pemrograman Web - Dicoding](#)
- [Adobe Certified Professional in Graphic Design & Illustration Using Adobe Illustrator](#)
- [Adobe Certified Associate in Visual Design Using Adobe Photoshop](#)

## PROJECTS

---

- **SatuCK - Executive Dashboard, 2025–2029 Strategic Plan** (Ministry of Public Works)  
Designed wireframes, user flows, and high-fidelity UI in Figma and Mermaid for the ministry's strategic planning dashboard, turning complex five-year planning data into a clear, decision-ready interface for leadership.
- **Korlantas Media Intelligence - Media Intelligence Platform** (Korlantas POLRI)  
Designed interfaces and interactive prototypes for a media intelligence platform, applying data visualization principles to help users monitor and interpret media data.
- **EHRM - Human Resources Management System** (Ministry of Public Works)  
Designed wireframes and high-fidelity UI for an enterprise HR management system, mapping internal workflows in Mermaid to support administrative processes at scale.
- **EkompU - Public Communication Monitoring Dashboard** (Ministry of Public Works)  
Designed a dashboard enabling the Public Communication Bureau to monitor activity, translating communication data into a structured, accessible Figma-built interface.
- **SUMBA - Manifest and Tracking Dashboard** (Ministry of Transportation)  
Contributed to wireframes and UI design for a manifest and tracking dashboard, supporting land transportation monitoring through usable operational data views.

## SKILLS

---

- **Product Design:** End-to-end product design, product discovery, requirements analysis, problem framing, feature validation.
- **UX Design:** User flows, journey mapping, information architecture, business process mapping, wireframing, usability review.
- **UI Design:** High-fidelity UI, responsive layout, visual hierarchy, interaction design, accessibility, dashboard design.
- **Enterprise & Dashboard Design:** Government digital services, enterprise systems, internal tools, data-heavy interfaces, decision-support dashboards.
- **Prototyping & Validation:** Interactive prototyping, rapid prototyping, HTML/CSS/JavaScript prototypes, usability testing artifacts.
- **Design Systems:** Figma component libraries, reusable UI components, design tokens, scalable UI patterns, developer handoff documentation.
- **Cross-Functional Collaboration:** Stakeholder alignment, PM collaboration, developer handoff, design rationale, business and technical requirement alignment.
- **AI-Assisted Workflow:** Gemini, Claude, ChatGPT, Mermaid.ai, requirement breakdown, research synthesis, ideation, flow mapping.
- **Tools & Technologies:** Figma, FigJam, Mermaid.ai, Draw.io, Google Stitch, Adobe Creative Suite, HTML, CSS, JavaScript, Tailwind.
